PASTORS' MESSAGE

Looking Toward July 18....

So then, my brothers and sisters, when you come together to eat, wait for one another. If you are hungry, eat at home, so that when you come together, it will not be for your condemnation. About the other things I will give instructions when I come. —1 Corinthians 11:33-34 (NRSV)

One of the remarkable things about the Scriptures is how frequently the ancient words speak to modern life. The passage above is no exception. The Apostle Paul wrote to the church in Corinth about a problem they were experiencing. Some of the church members were not willing to wait for the whole church to be able to gather before celebrating communion. Those who could arrive early were eating the bread and drinking the wine before those who could only come later had even arrived. The later arrivals missed out on an important means of grace, but the greater cost was to the ones who came and partook too early. It was to their “condemnation” because they were breaking down the Body of Christ rather than building it up. The solution was simple, eat a little at home so they could easily wait for everyone to assemble.

This passage comes to mind as we consider our options for when to return to worship in our beautiful sanctuary. Some people are eager to be back into the sanctuary right away while others are not able to arrive so soon. We need to consider how to be the Body of Christ in the midst of these differing abilities. This passage reminds us that we need to learn patience and wait until most of the Body can gather. One would guess that even in the ancient times, some people would never be able to get to worship during the set aside time, so Paul didn't suggest that they wait for everyone. He required them to wait for those who

were able to come at a reasonable time.

When is a reasonable time for us? Currently, subject to the course of the pandemic, we are targeting July 18 as the first Sunday for worship in the sanctuary, starting with a service at 9:30 am. This feels soon enough to look forward to, and far enough so that everyone who desires to be fully vaccinated should be able to do so. We are also trying to accommodate both our later worshippers and our earlier ones by starting at 9:30. In other words, it will hopefully be when most of the Body of Christ at Baker Memorial UMC could gather.

What a joy it is to be able to even think about gathering again in the sanctuary.

We will continue to observe appropriate precautions such as social distancing and masking as suggested by the CDC when that time comes. It is likely that services will continue to be somewhat shorter than what they were prior to the pandemic due to the lack of ventilation in the sanctuary. Finally, we will need to make decisions about congregational singing as the time approaches. Yet still we

do have something to look forward to and work together toward!

It is sad to realize that even with every precaution, some people will not be able to attend in an unventilated space. We do not want to leave these brothers and sisters in Christ out of worship. On-line worship will continue to be available for the foreseeable future.

No doubt July 18 feels too late for some, and too early for others. Like Paul suggested, there are options to help you wait for the whole Body of Christ to be able to gather. Please come to worship in Wiley Hall at 9 am every Sunday morning. As the weather warms, who knows we might even move out to the front lawn like we did on Easter Sunday. Please continue to attend on-line. It isn't the same, but it is worship.

What a joy it is to be able to even think about gathering again in the sanctuary. Please hold this date in your prayers, and please begin to think about whether you will be ready to return on that date. We are open to your thoughts, don't hesitate to call or email.

Peace in Christ,
Pastor Mary and Pastor Kim

MUSIC NEWS

Come Ring & Sing

We are excited to announce that on Wednesday, June 9, 23, July 14 and 28 we will offer an event called Come Ring and Sing. The schedule looks like this: 4:30 pm youth bells, 5pm youth choir, 6 pm adult bells, and 7 pm adult choir.

Events will take place in the Courtyard, Baker Hall and Sanctuary. The purpose of Come Ring and Sing is to get us singing and ringing again, welcome new interested musicians, and read through new anthems we have purchased. On July 28, we will have an opportunity to reflect on the exceedingly difficult year this has been for us all as we sing together Gabriel Faure's Requiem.

Recommended CDC Covid-19 guidelines will be followed. All participants will get a free tee-shirt and we plan on offering hamburgers and hotdogs. Sign up for Come Ring & Sing at [tinyurl.com/ringandsing](https://www.bakermemorialchurch.org/ringandsing)

Worship Music Starting July 18

I am excited to share the plan for music both for in-person worship and online worship.

Beginning July 18th and into the fall, on-line worship will

continue as it has been offered, and in-person worship will move to the Sanctuary. We will offer one service to begin. We will offer live music in the form of quartets, duets, and solos. Musical contributions will include a prelude, anthem, postlude, and hymn. The congregational hymn will be sung outside as a benediction.

As we move into the fall, online worship will continue, and we will offer ensemble music for our worship service(s) following suggested guidelines for singing and gathering. I anticipate all groups, Chancel Choir, Chancel Bell Choir, Men's Ensemble, Women's ensemble, Youth Choir, Chapel bells and Baker Brass functioning in some form. It may be smaller numbers to begin but we will have these ensembles in place and ready to go. In fact, you can sign up for an ensemble now on our website [bakermemorialchurch.org](https://www.bakermemorialchurch.org).

We need to do our best to stay flexible and patient as we figure out how to best navigate our way through the life challenges this pandemic has caused. As we do, my prayer for us is that God's strength and the strength of our music ministry, a ministry that we have built together for many years, will be present in all of us, providing us with purpose and hope, and that the rebuilding and reengagement process will be taken on joyfully and intentionally.

Children & Family Ministry

FOCUS: REJOICE!

► **Family Bible Verse:** *Rejoice always. Pray continually. Give thanks in every situation because this is God's will for you in Christ Jesus.* —1 Thessalonians 5:16-18, Deep Blue Kids Bible CEB

Rejoice! The Children's Center is now set up to receive outside air exchanges making it safe for in-person use for school children. We will continue to have on-line Zoom Sunday school until we add in-person children's worship later this summer.

I have been waiting for this for a very long, long time. Through our Sundays apart, I've been praying for our Sunday school families and all of our children. To me, rejoicing in the Lord is to continuing to look for the joyous moments each day and being thankful no matter the circumstances. I trust in the Lord each and every step of my daily journey as I share God's love and word with everyone. And again, I say, "Rejoice in the Lord!" Always remember God loves you! That is my definition of a joyous day with lots of prayer and your prayer buddies by your side.

If you happen to miss our Sunday lesson, you can continue to stay connected through our Weekly Word emails. Just look under the section of Children & Family Ministry to find the previous week's *Celebrate Wonder* curriculum in a video PowerPoint.

LUNCH ON THE LAWN RECAP Lunch on the Lawn was a joyous event. Our Sunday school families were able to see their friends, eat a sack lunch from Smitty's On the Corner with their family, and hear about the good news with eggs. Rick Spiers read *The Easter Egg Story Book* by Natalie Ard. This activity book included seven wooden nesting eggs to

illustrate Holy Week starting with Palm Sunday and ending on Easter. It was an egg-citing time! Be on the lookout for more in-person, but outdoor events for the Sunday school families.

SUMMER OPPORTUNITY: CAMBODIA ADVENTURE This year we are rejoicing to have a hands-on experience for all of our families this summer in lieu of VBS. We are offering a Cambodia Virtual Mission Trip experience. It is open to everyone. See the article in this Carillon to learn more and to register.

LEMONADE ON THE LAWN Lastly, don't forget Lemonade on the Lawn from 12-1 pm on Sunday, May 2. We'll have cookie decorating, lemonade and fun!

Joy & Blessings,

CONFIRMATION 2020-21

Each and every one of us is called to live out our faith Intentionally and April 18th the

Confirmation students engaged in the Living Intentionally Retreat to learn how to do just that. Please pray for each student as they form their faith and become full members of Baker Memorial United Methodist Church on May 16th at 10:30 am. This service will be open *only* to families and mentors due to gathering size due to CDC guidelines.

CONFIRMATION 2021-22

We are preparing for our upcoming year of Confirmation that will start in the fall. Confirmation begins any age 6th grade and up. Here are a few things that can help guide you to know if your student is ready? 1) Is your student curious about their faith? 2) Do they want to know more about your faith? 3) Are they ready to engage in faith forming disciplines on their own, 4) Is your child capable to read and comprehend some of the abstract concepts of Scripture. Talk with your student and have that conversation. Be on the look out for registration for 2021-22 Confirmation in the Weekly Word.

4TH SUNDAY BAKERYOUTH EVENTS

Each 4th Sunday of the month, the BakerYouth ages 6th -12th grade are invited to gather together for fun and connection. Mark your calendars. These events are open to friends, also. The Picnic Park and Pick Up was April 25th. We celebrated Earth Day and were reminded of our role in caring for our environment. We had fun with a picnic, playing at Pottawatomie Park, and building relationships.

BakerYouth at the Picnic, Park & Pick Up 4th Sunday Event.

IT IS BAKERYOUTH T-SHIRT TIME

On May 23, our 4th Sunday Event is Tie Dye Day. Michele Claney has designed an amazing BakerYouth shirt which will be available for all students entering 6th grade in the fall through those who just graduated 12th grade. We will each Tie Dye our own BakerYouth shirt. We realize some people will be out of town for the event or for some reason unable to attend the event but may want a BakerYouth t-shirt. If this is the case, still register for a shirt/not attending. You will get a white t-shirt with the black logo on front and back and the rest is up to you (or you could ask another student to tie dye it for you). In order to ensure a shirt, early registration is needed. Register by May 5th at <https://tinyurl.com/4thsundaytiedyeday>

Thank you to the United Methodist Women Phoebe Circle for sponsoring these shirts for the BakerYouth. Thank you for your generosity and being part of the village and care for our youth.

4TH SUNDAY BAKERYOUTH POP-UP TEAMS

The youth are in need of some caring adults. As we know it takes a village to raise a child. You are part of that village. Each month is a different theme and activity, and we are also wanting to include service options every other month. We are looking for different adults to plan, serve, and chaperone the various months. Would you be willing to help at one 4th Sunday event? Do you have ideas? Are you a behind the scenes person? Please consider being one of the adults that supports the student's faith journey. Contact Pastor Kim at 630.975.0696 or pastorkim@bakermemorialchurch.org with your availability.

We are blessed at Baker Memorial UMC to be able to present small scholarships to students in our congregation every year. B.G. Gross was a long-term music director at the church who was passionate about education. An endowment in his name provides funding to be awarded to congregation members pursuing post High-School education. Applicants may be attending a trade-school, community college, certification program, or university at any degree level this fall. Applicants may be of any age. Applications do need to be active members of the congregation. The scholarships are generally a few hundred dollars each.

YOUNG ADULTS

We are looking to gather young adults this summer and want your input if you are between the ages of 18 and 30 something. You can email your ideas or we can go out for ice cream/coffee/tea and discuss and meet up. CHURCH MICE

As the year is ending, we want to thank Nancy Pearson for leading this ministry and for each church mouse who sent letters, packages and stayed connected with our Baker college students. We are praying for those who are graduating this May and their transitions out of high school. There will be a sign-up next month via Weekly Word for those you would be interested in having a church mouse in the fall as well as a sign-up for those who would like to be a church mouse. Thank you for praying and considering to be part of this wonderful ministry. Contact Nancy Pearson at npearson@ameritech.net or 630.624.9701 with any questions.

CHECK OUT THE CAMBODIA ADVENTURE

This year we are rejoicing to have a hands-on mission experience for everyone. We are offering a Cambodia Virtual Mission Trip experience at the end of June. See page 6 of this issue of *The Carillon* to read all about it, ways to give, and how to register.

Baker Memorial UMC has been in a covenant relationship with Clara Biswas, a missionary in Phnom Penh, Cambodia for several years. This means we offer monetary support every year to Global Ministries of the United Methodist Church. We go a step further and support Clara's Street Children Ministry, which serves the poorest of the poor children in Cambodia. To learn more about Clara and her ministry, be sure to read her most recent newsletter in this Carillon.

This year, when no one can travel on a mission trip, we have decided to go virtual and open it up to all ages with a Cambodian Adventure. Be ready for a hands-on experience with lots of activity (not your typical Zoom). We invite the youngest to our oldest in the congregation and everyone in between, as well as friends, family and neighbors. So, let's all experience something new together and invite those who may have always wanted to go on a Mission trip but couldn't due to time, money, or availability. This is a perfect way to do missions far away, yet right here. The amazing thing of this Virtual Mission Trip is that many more people get to be part of it.

Every year we support Clara's ministry through a fundraiser. This year, the fundraiser will be through our Virtual Mission Trip. Will you join us in this mission, and either be part of the Virtual Mission Trip or donate toward it?

If we were to go on a mission trip physically to Cambodia, it would be approximately \$3000 per person. Imagine how much we can give by staying here this year and how we can bless this ministry. Therefore, we are giving people an opportunity to sponsor in tangible ways such as

CAMBODIA ADVENTURE

A VIRTUAL MISSION TRIP FOR EVERYONE

\$7 to feed a child for the day or \$35 for week, \$16 to provide a uniform/sandals, \$50 to pay utilities for a month, \$99.95 to feed a family for the week, or \$192 to cover a month's salary or any amount you feel led.

In order to get the word out about Clara's mission work in Cambodia, we are also encouraging people to send Mission letters to friends, family and neighbors or do a FB post about your Virtual Mission Trip that you are going on.

During the Virtual mission trip, we will experience God's desire for us to be in service *Here, Near and Far Away*. We will learn about the history and culture of Cambodia, play Cambodian games, cook the foods enjoyed by families in Cambodia and much more. Each day has a different theme with a fun activity.

The Mission Trip Action Pack will help navigate the Cambodian Adventure and can be picked up at the church prior to our "trip". The cost is

\$10 and includes your own "Passport", stickers, recipes, a game, etc. (Those out of state will get an electronic copy of items). Packet pick-up days are Sunday, June 20 from 9-11 am, Monday, June 21 from 9 am-7 pm and Tuesday, June 22 from 9 am-4 pm.

We have some amazing shirts to signify our trip that will be an extra cost per person and not part of the fundraiser. However, you will get them at cost. Think of it as your memento or souvenir from your Virtual Mission Trip.

Mark your calendars for June 22, 24, and 25 via Zoom from 7-8:15 pm and a Celebration Day June 26 with food, pictures, games, and pure Cambodian fun from 5:30 pm-7 pm. This night is open to the whole congregation and friends. Let us know you are coming.

A Gentle Word About Giving

The work of God continues at and through Baker Memorial UMC in these difficult times. Our staff is hard at work seeking to check-in with the whole congregation on a regular basis. Our work with our Day Guests continues. We are continuing to do worship on-line. As you are able, please seek to keep up with your giving during this time, or even accelerate it so we can continue to meet our payroll and bills. We understand that some people will not be able to do this and are working to manage spending accordingly. All of you are in our prayers.

General Board of Global Ministries
Street Children Ministry in Cambodia

Happy Easter! 2021

Dear Friends.

With loving and thankful hearts, we greet you Happy Easter 2021!!!

First of all we Thank God for all the many blessings bestowed on us these past year. Our children and their families who are included in our ministry are day by day manifesting their thankfulness by being cooperative in all the activities that we do. They are improving their lives not only as good members of their families, but by being responsible citizens as well. This is the result of your love and support for the Street Children Ministry.

Without your support, our ministry cannot be made possible. As of now we are preparing for the Easter celebration. Again, we will be dramatizing the resurrection of Jesus. Children will be playing roles depicting this very important event in the life of Jesus. Everyone is excited to participate.

Again, I would like to thank you again and again. Your love to Jesus is extended to these under-privileged children in Cambodia. Their lives change because of our ministry. The deserving can go to school and after that, they can have jobs. The sick are taken care of and given proper assistance not only physical but emotional and spiritual as well.

May our God repay your kindness with more and more blessings and happiness. May you continue to support us as we continue with this our ministry. Your love is changing lives.

As we send our love, an Easter card is attached. This is a token of our gratefulness to you. Our children were the ones who sketched this in our Art Classes.

The world is going through a very difficult time with Corona virus (Covid-19), and each day gets worse than the prior day. As we follow the Government of Cambodia's health prevention protocol, we cancelled the Easter pageant and Khmer New Year program for the time being.

We pray to God that soon we will overcome the turmoil from Covid-19 and in the near future children will be able to celebrate our wonderful Easter.

We really need your prayer and support.

Please pray for our children and community as we pray for all of you.

May this letter find you in the best of health and well-being. We love you.

Very truly yours,
